Applicant hopes that the Examiner will find the application, with the changes shown on the enclosed "Version of December, 2004," to be in condition for allowance. To aid the Examiner in confirming that the changes in this "clean" Version are typographical corrections, clarifications, or claim narrowing, and do not in any case constitute new matter, Applicant has put a short line in the margin to indicate for the Examiner the location of the alterations to the original submission.

This tabulation is a compilation of markings with respect to other races on those ballots on which there were either markings for one presidential candidate or no markings for any presidential candidate.

** Blank consists of markings on a line where there was no presidential candidate.

Note (1): The number of ballots for Bush and Gore that had a dimple in the presidential race and a dimple in the

other races were as follows: Bush 4593

Gore 5240

Note (2):. The number of ballots not included above that had a written candidate name in the presidential race were as follows:

Bush 37

Gore 46 Other 1 From "Democracy Held Hostage" by Martin Merzer (Miami Herald Store, 1-305-
